

McDOWALL STATE SCHOOL

eLearning BYO 2022 Apps

 <ul style="list-style-type: none"> • Pages / Keynote • Numbers / iMovie <p>These apps come free with iPads (Download may be required)</p>	 <p>Microsoft Word, Excel and Powerpoint, OneDrive Office 365 is free for all students.</p>	 <p>Mathletics Student app</p>
 <p>NihongoGo App for Japanese (Free)</p>	 <p>Kana School: Japanese Letters</p>	 <p>Book Creator for iPad</p>
 <p>Japanese-Hiragana</p>	 <p>Japanese Hiragana Board</p>	<p>(Cost)</p> <p>There is a trial version that allows 1 book to be created called Book Creator One. We need the full version</p>
 <p>Hopscotch Coding App</p>	 <p>Scratch JR (Free)</p>	 <p>Pyonkee (Free)</p>
 <p>Swift Playground</p>	 <p>Garageband This app comes free with a new iPad</p>	 <p>Dictionary.com Dictionary & Thesaurus for iPad (Free)</p>
	 <p>Tynker Coding App (free)</p>	 <p>Sphero EDU</p>

You do not need to purchase an Office 365 subscription. Students can use Microsoft Office apps through their Education Queensland login.

We will also be making use of built in apps such as Calendar, Camera and Photo apps that are part of the standard operating system for iPads.

To install apps an account is required on the Apple iTunes store. If you do not already have this setup the Apple Store at Chermside can assist. There is a cost for some of these apps. One option is to purchase an iTunes gift card. These can often be purchased at a discount from retail stores.

iPad Specifications – an iPad which is capable of running the latest version of iPadOS

32gb memory min.

If purchasing a new iPad the current base model has 64gb of memory and is suitable to use. We don't recommend an iPad mini. If you already own one this can be used but we wouldn't recommend purchasing a new iPad mini.

If you have any questions please contact me via email dpedw1@eq.edu.au
