

McDOWALL STATE SCHOOL

ELECTRONIC COMMUNICATIONS ADVICE

Please return this form to School Administration as soon as possible

Many businesses, including schools are recognizing that most people are now on-line and that it is more environmentally friendly, direct (avoiding the child courier) and cost effective to access communications such as newsletters electronically (and in colour).

The 'Tartan Times' is already posted to the school website at time of publishing. In acknowledging that the 'Tartan Times' is the main published communication vehicle for the school, it will continue to be published on paper (black/white) for those who need them.

Other notices and hand-outs will also be forwarded electronically (where possible) or continue to be issued to your child.

Please complete the details below and return this form to School Administration at your earliest convenience if you elect to receive an email link /reminder to the 'Tartan Times' school newsletter within the website, instead of a paper copy being issued to your child.

Should your email address fail, the school generally has no way of identifying which family did not receive contact. The parent must keep School Administration informed of family email address changes.
