Year 4 Picasso Art Show!

Year 4 students proudly showed off their exceptional artworks this week, at the Annual Picasso Art Show. Well done for whole-heartedly producing some truly striking and original pieces of art. Thank you also to the many parents, grandparents, siblings and friends who joined us for some tasty breakfast treats and of course, to admire the art!

Principal's Post

Thank you!

It has been an absolute joy, filling in for Ms Stager as Principal at McDowall SS during the last few weeks. I have really enjoyed meeting the students, staff and families, and can honestly say that you can be very proud of your school. Thank you for making me feel so welcome during this time.

Under 8's Day

This year we opened our gates on 19 May to celebrate Under 8's Day at McDowall SS. The theme for this event was, "Play - you, me, our communities". Prep students and their families along with local Early Childhood Centres joined in the fun and spent the morning learning through play. A variety of experiences and learning opportunities were available for parents and children to participate in, including painting, dancing, craft, games, and sensory play. We were lucky to also have Bunnings, the local police and defence force personnel attend and join in the fun.

A special thank you to Ms Wiseman for coordinating the day, and the early years teachers for facilitating the most engaging and playful learning opportunities. McDowall SS looks forward to continuing this tradition next year.

Every day counts

- -children achieve better when they attend school all day, every day
- -going to school means getting a better chance at life
- -school helps children build social and emotional skills such as communication
- -teamwork and resilience
- -going to school is a legal requirement

If your child does not want to go to school, contact our school for assistance and support.

Presto Strings and Rode Band Shine at QYMA

The Presto Strings and Rode Band were very excited to perform in the Queensland Youth Music Awards over the last couple of weeks. It was fantastic to see our music students performing in such an impressive auditorium. Students competed against bands and ensembles from a number of private and state primary schools across Brisbane. In a hotly contested section the Presto Strings, conducted by Kathryne Payne, was awarded 'Gold' and second place overall. Not to be outdone, the Rode Band, conducted by Erin Gyte, was awarded 'Silver' and also gained second place overall.

The students played beautifully and were given some lovely feedback about their performances. Some of the adjudicator's comments are below.

Guidance Officer News

We recently had the good fortune to host a Triple P Fear-Less

It was interesting to hear about how parents and teachers can set a good example, promoting resilience in children. I was particularly interested to hear that responding appropriately to for woodwind, brass, string and percussion instruments who children can help avoid accidentally rewarding anxious behaviours or encouraging avoidance. The seminar worked through with parents that:

- Communicating that it is OK to experience uncomfortable feelings
- Appropriately expressing their own feelings
- Encouraging flexible thinking
- Promoting brave, non-avoidant behaviours and the use of coping skills

can help children cope with anxious and difficult feelings.
